

For State of Colorado Employees:

One Call For All Your Home Repairs and Improvements

Home Owners Clubs of America - Colorado (HOCOAC)

HOCOAC is a complete contractor referral service for Colorado homeowners who want help with their home repairs and improvements. We manage a network of hundreds of handpicked, independent, qualified, insured, reputable and local service contractors. Each contractor is prescreened and interviewed in person. We monitor their prices to ensure that they are competitive. We keep an updated copy of their liability insurance on file. We also contact homeowners after work is completed and ask the homeowner for a rating on the contractor's performance for ongoing QC purposes. We are in our 5th year of business.

**Discount for State of Colorado employees:
Regular membership fee is \$48.00 per year
State employees can join for just \$24.00 per year
